

PROQUIET

PROFESSIONAL GRADE

**BRAKE
SHOES**

1

100% Asbestos Free:

Environmentally-friendly, professional grade friction material delivers superior performance and service life.

2

OE Specific Bonded or Riveted:

Premium grade adhesives or steel rivets ensure maximum shear strength and reduce noise and vibration.

3

Coated Carbon Steel:

All shoe platforms and webbing are constructed with new carbon steel specially coated to prevent corrosion and rust jacking.

4

Contour or Cam Ground:

Provides proper friction-to-drum contact for smooth and even stopping.

5

Attachment Hardware:

Includes OE matched levers and pins (where applicable).

Industry Leading Coverage:

Comprehensive availability of drum brake shoes and parking brake shoes for passenger car, light and medium duty trucks.
